

First Baptist Church-Kid's Day Out Discipline Plan

The Director, Teachers, and Assistants in the Kid's Day Out program at First Baptist Church are striving to offer a Christian environment that will promote healthy relationships for each child. Our prayer is that this environment will offer each child the opportunity to develop safe relationships with peers and staff. We want to work with parents to make each child feel comfortable, happy and safe while in our care.

If a problem does arise, the following is the discipline procedure that will be followed.

First Offense: The child will be talked with and the appropriate behavior will be discussed.

Second Offense: The child will be taken out of the activity for a designated amount of time appropriate to their age and maturity level. He or she will again be talked with about their behavior.

Third Offense: The Director will talk with the child's parent(s) about the behavior and a plan to work with the child toward appropriate behavior.

****If the child has a behavioral issue that cannot be corrected, the Director may suspend the child from the program as a last resort.**

RELEASE FORM: POLICY, PROCEDURES, AND DISCIPLINE

Child's Name _____

I have read, and understand, the Parent Policy and Procedures discipline plan and have also discussed it with my child(ren).

Parent's Signature _____
